Dear Susan,

Thank you very much for your excellent contribution to the program of our Fall Summit on October 1st and 2nd. We are extremely grateful to you for not only running the workshop you expected to run, but stepping in at one day's notice to run a second one when the speaker cancelled at the last moment. Not only was your workshop on Websites in Perspective excellent, but the Internet Marketing one was dynamite. On the evaluation forms, both were rated very highly by the participants. Of course, we expected nothing less, since you have presented at our conferences in the past.

The whole event was one of our most successful in seven years of running such conferences, and the attendance was excellent: 150 people from all around the province, and some from the Atlantic region and from Ottawa. We will certainly be asking you to come back and speak at future events, and I would be happy to recommend you as a speaker for other events.

Best wishes with your business.

Sincerely,

A handwritten signature in black ink that reads "Kay".
