Dear Susan

I would like to take this opportunity to thank you for the tremendous job you did in Windsor. The full day seminar workshop was a real hit with all the participants. I was also very impressed by the talk you did at Chapters, you are an entertaining and knowledgeable speaker.

As I briefly mentioned to you upon your departure there is probably going to be another opportunity for you to work in Windsor in the late spring. This will be on a much grander scale, and will include your company I hope that this appeals to you. Please give me a call next week when you are back and I will fill you in on the details.

Once again thank you for the great job, and if you would ever like to use me as a reference I would be delighted. It is always a pleasure to work with someone that exhibits your professionalism, organization and indepth knowledge.

Yours truly  
Margo DesRosier-Shanklin
