Attention: Susan Sweeney

Dear Susan:

I want to thank you and tell you how much I enjoyed your presentation on web site promotion. I was enormously impressed with the rapport you built up with members of the audience. You had 100% of their attention the entire time.

Your enthusiasm for your topic was contagious and your presentation was highly sophisticated, completely professional and at the same time, entertaining.

The feedback I heard from others was extremely positive – participants shared my opinion that the workshop exceeded expectations. We all look forward to a follow-up.

Thanks once again.

Yours truly,

Cathleen Fillmore
